Dear Sir,

I hope you are doing well. Thank you for scheduling our meeting on 7/10/2026, Wednesday at 10:00AM.

Unfortunately, I have an important hackathon at that time and I will not be able to attend. I am sorry for the inconvenience.

Would it be possible to reschedule to one of these times?

Wednesday, 7 October at 10:00AM

Thursday, 8 October at 11:30AM

I am happy to adjust if neither slot suits you. Please let me know which time works best for you.

Thank you for your understanding.

Warm regards

M. Pranathi Suseela
